CHEMA
ENTERPRISES LIMITED

Welcome to CHEMA Enterprises Limited- a private company incorporated in the United Kingdom, with operations in Tanzania. We are a general commercial company in all aspects and fully conscious of the “softer” issues of corporate responsibility, such as the environment, business ethics and labour standards.

Specifically CHEMA undertakes and promotes:

- Consultancy Services-focusing on agricultural research policy analysis and planning, agricultural marketing and rural finance, international trade competition, and corporate services.
- Small and Medium Scale Enterprises (SMEs) in the agricultural sector.
- Eco-tourism-environmental friendly tours and safaris, mountain climbing and cultural excursions.

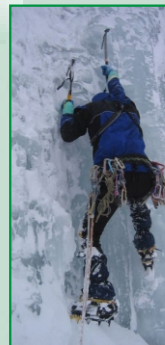

CONSULTANCY SERVICES IN AGRIBUSINESSDEVELOPMENT

- Agricultural research policy, research priorities and strategies, resource allocation and impact evaluation.
- Biotechnology applications in agriculture.
- Agricultural biodiversity and climate change adaptation.
- Poverty reduction strategies and programs for smallholder farmers.
- Agricultural marketing and rural finance.
- Small & Medium Scale Food and Agro-Industries Development.

TOURS & SAFARIS

- Eco-Tourism, Tours, Safaris, Mountain Climbing & Cultural Excursions.

SECRETARIAL SERVICES

- Desk top publishing, photocopying, executive business cards, tape binding and spiral binding.
- Processing of Masters and PhD thesis and corporate confidential documents

Our competences include:

- Agribusiness development and management. Corporate finance, marketing and trade.
- International trade competition and corporate law services.
- Food science and human nutrition
- Environmental issues-pollution, climate change adaptation & biodiversity.
- Guest relations, Tours & Safaris (planning and execution).
